**The Southern African Grain Laboratory NPC (SAGL)**, established in 1997, render independent, effective and trustworthy scientific laboratory services to the grain and oilseed industry. With its laboratory in The Willows, Pretoria East, the SAGL has successfully maintained its internationally competitive leadership in market-driven grain analysis by remaining at the cutting edge of modern technology and offering world-class, financially independent services.

*Applications are currently invited for the following career opportunity:*

## **Analyst – Chemistry Laboratory**

(Peromnes Level 12, Patterson Grade B5)

**Purpose:** To perform analyses on food and feed samples using different wet chemistry, rheological, spectroscopy, and chromatographic techniques.

### **KPAs/Key outputs**

- Routine sample preparation and analysis
- Conducting tests according to accredited methods
- Assisting with development and validation of new methods
- Providing hands-on laboratory training
- Equipment maintenance
- Quality system maintenance (ISO 17025)

### **Qualifications and Experience**

- Tertiary qualification in Analytical Chemistry, Biotechnology, or Food Technology
- Minimum of 8 years' experience in chemical analysis
- Experience in conducting analyses in an ISO 17025 accredited laboratory

### **Knowledge**

- Sound knowledge of organic and analytical chemistry
- Proven experience in performing wet chemistry analyses on food and feed
- Knowledge and experience in performing rheological analyses and experience in using techniques such as HPLC, AA, and UPLC–MS/MS will be an added advantage

## **Skills**

- Good interpersonal skills
- Ability to work in a team
- Good command of the English language
- Project planning and organising skills

## **Behavioural attributes**

- Attention to detail and high level of accuracy
- Initiative and integrity
- Ethical
- Goal orientation

Applications must please reach the SAGL ([wiana.louw@sagl.co.za](mailto:wiana.louw@sagl.co.za)) by no later than **16 August 2024**.

Correspondence will be limited to shortlisted candidates only.
