

## SAGIS Maize Product Information

On 14 November 2014, the Minister of Agriculture, Forestry & Fisheries announced new statutory measures for the manufacturing of maize & wheaten products.

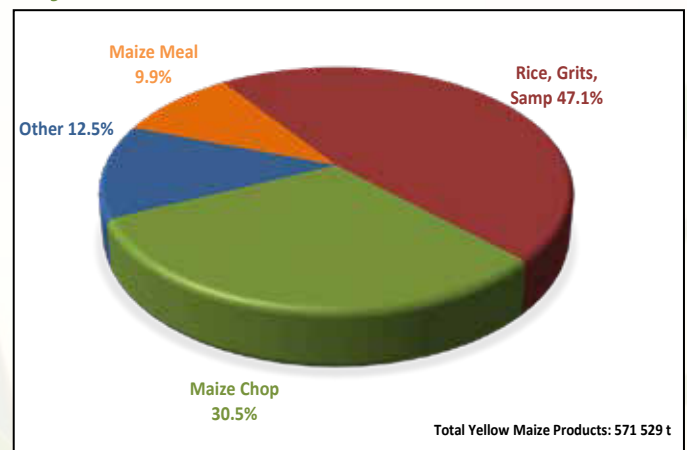

To comply with the abovementioned statutory measures, manufacturers of these products have to register with SAGIS and submit information with regards to the manufacture, import and export of maize products.

Please see graphs 27 to 30 below for an overview of the white and yellow maize products as well as white and yellow maize meal manufactured for the period May 2019 to March 2020. The tables on pages 15 to 17 provide a summary of the figures for maize products manufactured, imported and exported during the previous two marketing seasons (May to April) as well as the current marketing season to date (May 2019 to March 2020).
