PLEASE TAKE NOTE OF THE FOLLOWING:

The following changes were implemented to address challenges we have faced in obtaining correct PO numbers and timely payments for our Proficiency Testing (PT) schemes.

1. **Effective from the 1st of October 2025**, all PT schemes will be invoiced annually *without any exceptions*.
2. A quotation detailing the annual participation fees will be provided during the first week of October 2025.
3. Purchase Order (PO) number is required within 14 days from the date of quotation.
4. Standing orders are accepted for annual participation.
5. Upfront payment is required from foreign participants in October to confirm your participation. (Please use your account number as your payment reference.)
6. This change is a result of new internal policies and procedures implemented at the start of our financial year in 2023.
7. Please forward this information to your accounts department for their 2025/2026 budget planning.
8. We kindly request that you complete the form provided for your 2025/2026 participation.
9. Annual increase is effective from the 1st of October 2025.
