# Wheat class and grades per production area

Number of samples per class and grade in the winter rainfall area

Legend: B1, B2, B3, B4, UT, COW
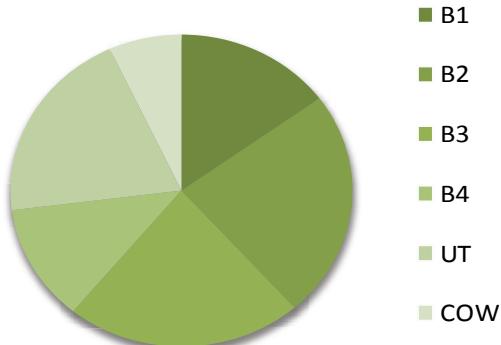

Number of samples per class and grade in the summer rainfall area

Legend: B1, B2, B3, B4, UT, COW
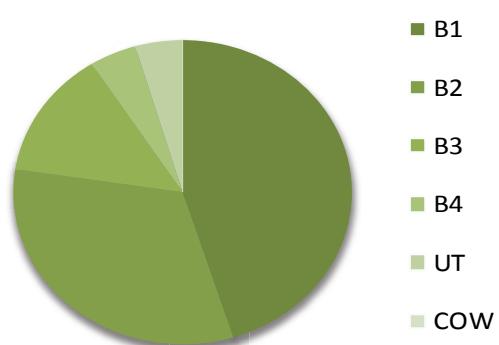

Number of samples per class and grade in the irrigation areas

Legend: B1, B2, B3, B4, UT, COW
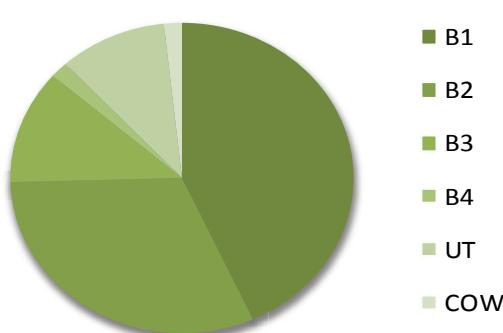

Number of samples per class and grade in the other summer rainfall and irrigation areas

Legend: B1, B2, B3, B4, UT, COW
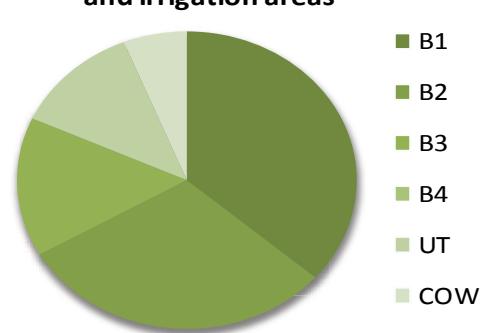

Protein distribution graphs per production area

Protein distribution of wheat in the winter rainfall area
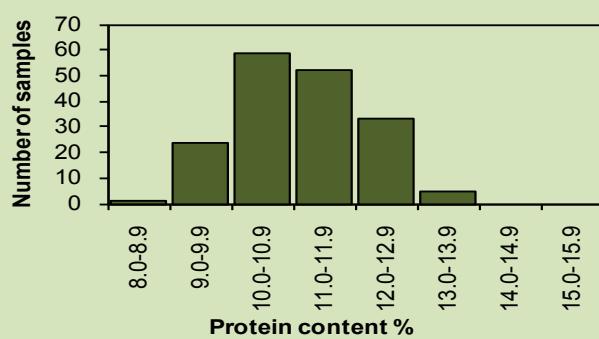

Protein distribution of wheat in summer rainfall area
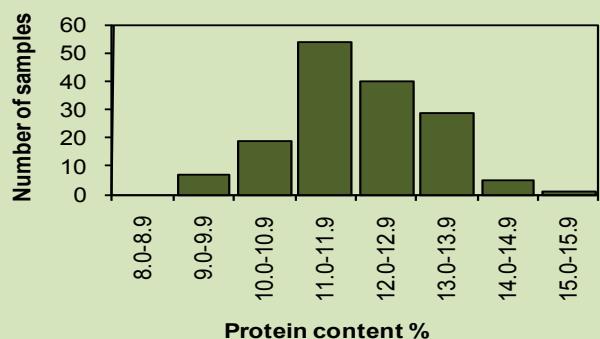

Protein distribution of wheat in the irrigation areas
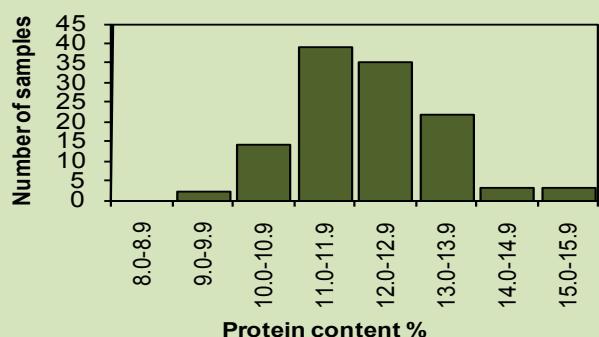

Protein distribution of wheat in other summer rainfall and irrigation areas
