

RSA Production Regions

The RSA is divided into 9 provinces as illustrated in Figure 1.

Figure 1: RSA Provinces

The 9 provinces are divided into 36 grain production regions.

The regions are distributed as follows:

- Region 1: Namakwaland
- Regions 2 to 4: Swartland
- Regions 5 and 6: Rûens
- Regions 7 and 8: Eastern Cape
- Region 9: Karoo
- Region 10: Griqualand West
- Region 11: Vaalharts
- Regions 12 to 20: North West
- Regions 21 to 28: Free State
- Regions 29 to 33: Mpumalanga
- Region 34: Gauteng
- Region 35: Limpopo
- Region 36: KwaZulu-Natal

Refer to the Crop Production Regions map on page 13.

The production regions from which sorghum samples have been received for the crop quality survey of the 2023/24 production season, are named and described on page 21. All the silo/intake stands as well as the type of storage structure, situated in a particular region, are provided.
